

How to Use Conversation Buddy

- Choose your topic (clarity, conflict, check-in, reset, workplace, relationship, etc.)
- Describe your reason (what you're trying to fix, clarify, or move)
- Explain your goal (what "good" looks like for this moment)
- Get your Buddy
 - by text
 - by email
 - or copy/paste into any AI and begin chatting in natural language
- The Buddy gives you two lines you can use immediately in the real conversation.
- Powered by Galileo Insight Engine

Copy and paste:

1. What I want to talk about:

2. Cultural preference (how I like to communicate):

3. My two-line Buddy:

Line 1: _____

Line 2: _____

Professional Mediations

Emotional Physics for Real Life
