Dear Allison,

Thank you again for reaching out to Professional Mediations LLC regarding your father's estate. I appreciate your trust in this process and your willingness to explore mediation as a way to preserve relationships while resolving important issues.

As we prepare for the session, I'd like to make sure both you and Pat have the necessary materials. Could you please provide me with Pat Larrimore's preferred email address so I can send her the same packet directly?

For your convenience, I've attached the following documents:

- Agreement to Mediate: A procedural document we'll review and sign at the beginning of the session to confirm confidentiality, neutrality, and voluntary participation.
- Pre-Session Checklist: Helps ensure you feel prepared and confident before mediation begins.

Once Pat agrees to participate, I will send you both a convening (welcome) letter, scheduling a time to mediate.

Please take a few minutes to review these materials. If you have any questions or concerns, don't hesitate to reach out. Once I have Pat's email, I'll send her the same information so she feels equally prepared.

I look forward to supporting you both in working toward a resolution that honors your family and provides clarity for the future.

Thank you for your trust,

Christian Piatt, Esq.
